1 P R O C E E D I N G S

2 [10:28 a.m.]

3 MR. DONOVAN W. ANDERSON: All right. Um,  
4 the next case on our show cause hearing status  
5 calendar is Case #16-251-00087, Salina  
6 Restaurant, License #82969. Will the parties  
7 please approach and identify themselves for the  
8 record, please?

9 MS. AMY SCHMIDT: Good morning, Amy  
10 Schmidt, Assistant Attorney General, on behalf of  
11 the District of Columbia -- S-c-h-m-i-d-t.

12 (Off-mic speaking)

13 MR. TERFNEH KAHSAY: Uh, Terfneh Kahsay,  
14 T-e-r-f-n-e-h K-a-h-s-a-y, owner of Salina  
15 Restaurant.

16 MR. DONOVAN W. ANDERSON: Good morning,  
17 Mr. Kahsay.

18 MS. SELAMAWIT LEGESSE: Good morning,  
19 sir, my name is Selamawit Legesse -- S-e-l-a-m-a-  
20 w-i-t, last name is L-e-g-e-s-s-e. I'm the  
21 Tigrinya interpreter.

22 MR. DONOVAN W. ANDERSON: Now, who are

1     you supposed to interpret for?

2                   MS. SELAMAWIT LEGESSE:  Uh, for this  
3     case.

4                   MR. DONOVAN W. ANDERSON:  No, I know, but  
5     for this owner? For the --

6                   MS. SELAMAWIT LEGESSE:  I'm not exactly  
7     sure which, uh, uh --

8                   (Off-mic speaking)

9                   MS. SELAMAWIT LEGESSE:  He said he  
10    doesn't need an interpreter.

11                  MR. DONOVAN W. ANDERSON:  All right. All  
12    right. Mr. um ... Mr. Kahsay, there is an  
13    interpreter here, and I'm not sure if the  
14    interpreter were -- was called for you -- I'm not  
15    sure who requested an interpreter. Is it your  
16    position today, sir, that you clearly understand  
17    these proceedings, that you do not need an  
18    interpreter?

19                  MR. TERFNEH KAHSAY:  Uh, I don't (off-mic  
20    speaking) .

21                  MR. DONOVAN W. ANDERSON:  I'm sorry, you  
22    do not need an interpreter today?

1 MR. TERFNEH KAHSAY: I don't.

2 MR. DONOVAN W. ANDERSON: All right, sir.  
3 Since -- if you do not need an interpreter, then  
4 the interpreter is dismissed. But I just want the  
5 -- let the record reflect that there was an  
6 interpreter here, and Mr. Kahsay stated that he  
7 does not require an interpreter. Thank you.

8 All right. This is a follow-up on a -- of  
9 a previous hearing. There are certain procedures  
10 that were supposed to have been followed based on  
11 the OIC that was agreed to between the parties,  
12 and so maybe the Government can let us know,  
13 where is it that this owner is in response to the  
14 OIC that was signed.

15 MS. AMY SCHMIDT: I will defer to  
16 Investigator Howze, who has Investigator Dorshae  
17 Demby's report, because he -- he was actually --  
18 he is more familiar with this than I am at this  
19 point.

20 MR. DONOVAN W. ANDERSON: Mr. Howze, can  
21 you tell us, where -- where are we regarding the  
22 OIC that was signed earlier?

1                   INVESTIGATOR ANTHONY HOWZE: Um, on  
2 August 30, 2016, at approximately 8:00 p.m.,  
3 myself, Investigator Demby, and Supervisor  
4 Investigator Kevin Hargrave visited the  
5 establishment for the purpose of determining the  
6 placement of the establishment's camera layout  
7 and its ability to maximize coverage of the  
8 establishment for possible video evidence in the  
9 incident that, uh -- a accident or incident may  
10 occur during, uh, its time of operation.

11                  MR. DONOVAN W. ANDERSON: Hold on a  
12 minute, Mr. Howze. Hold on a minute.

13                  (Off-mic speaking)

14                  MR. DONOVAN W. ANDERSON: I'm sorry, Mr.  
15 Howze, go ahead.

16                  INVESTIGATOR ANTHONY HOWZE: Um, upon our  
17 arrival, Mr. Kahsay was present and very helpful.  
18 There were eight cameras, functional cameras,  
19 that were working: um, two cameras on the  
20 exterior of the front door; one camera over the  
21 bar area; uh, one camera, hallway, facing the  
22 rear of the establishment and the front of the

1 establishment; um, two cameras in the back  
2 hallway facing the opposite direction to  
3 eliminate any blind spots; um, one camera,  
4 exterior, over the back door.

5 Um, one investigator walked the whole  
6 establishment to see if there were any blind  
7 spots while another investigator actually watched  
8 the computer screen, and we found that all the  
9 cameras were -- were acting, uh, how they should.  
10 Um, no blind spots were detected.

11 Um, uh, Mr. Kahsay stated that all the  
12 cameras inside the establishment had the  
13 capability to store data over approximately 30  
14 days. Um, it hasn't been 30 days yet, but we have  
15 Mr. Kahsay's statement, so myself or Investigator  
16 Demby will be willing to go back, uh, after 30  
17 days is up to see if they actually have stored  
18 for 30 days.

19 Investigator Demby determined that Mr.  
20 Kahsay complied with the OIC items Number 5 and  
21 6, respectively, which required updated security  
22 plan, uh, incident log book. Mr. Kahsay stated

1     that he will educate the staff of the  
2     establishment of the requirements of the OIC to  
3     ensure compliance, uh, and that's all I have for  
4     the supplemental report.

5             MR. DONOVAN W. ANDERSON: All right. Um,  
6     now, I know that there were -- Now, Mr. Kahsay,  
7     from your perspective -- and -- and I understand  
8     this case, and I know you don't have to be -- Do  
9     you have a copy of the -- the OIC in front of  
10    you, so we can find out where we, in, um -- in  
11    the other positions -- of the OIC?

12            MS. AMY SCHMIDT: I just handed him a  
13    copy of the OIC.

14            MR. DONOVAN W. ANDERSON: Okay. So,  
15    regarding the -- the -- the fine: I know that you  
16    were supposed to pay 120 -- uh, \$12,000 within  
17    120 days. Um, where are we with the payment of  
18    the fine, sir? Has it been paid or -- I don't --  
19    I'm not sure if the deadline has expired as yet,  
20    but has the fine been paid?

21            MR. TERFNEH KAHSAY: Uh, no, not yet.

22            MR. DONOVAN W. ANDERSON: I don't -- I

1 don't see the deadline has expired.

2 MS. AMY SCHMIDT: No, it has --

3 MR. DONOVAN W. ANDERSON: The deadline --  
4 Okay.

5 MS. AMY SCHMIDT: -- not.

6 MR. DONOVAN W. ANDERSON: Um, I know that  
7 the establishment remains -- continues to remain  
8 closed, because we have to -- to -- we have to  
9 determine, um -- I think that based on -- based  
10 on Mr. Howze, regarding Number 3, it's -- as Mr.  
11 Howze stated, he's unable to determine whether or  
12 not the videos are operational -- Well, he has  
13 stated that the -- the system is operational, but  
14 he's unable to determine whether or not it has a  
15 30-day shelf life because 30 days haven't --  
16 haven't expired as yet. So, we could say that's  
17 partial -- partially in compliance with Number 3.

18 Well, Number 4 -- that's -- we can't make  
19 a determination of that because that's only if an  
20 incident has occurred -- has occurred.

21 Five of six are compliant. Number 7 ...

22 Now, do we know whether or not Number 11, where -

1 - wasn't -- the licensee if -- has provided ABRA  
2 with the names of the ABC managers? Do we know if  
3 that was provided?

4 MR. TERFNEH KAHSAY: I did.

5 MR. DONOVAN W. ANDERSON: You did? I have  
6 not -- It's not a part of the record that I have  
7 here.

8 (Off-mic speaking)

9 MR. DONOVAN W. ANDERSON: The -- I think  
10 that there are some concerns that -- that, um,  
11 ABRA has with the security plan that was  
12 submitted. The Agency has some serious concerns  
13 with the security -- the security plan, and has -  
14 - have you had an opportunity, sir, to discuss  
15 the security plan with the ABRA staff?

16 MR. TERFNEH KAHSAY: No, I haven't.

17 MR. DONOVAN W. ANDERSON: Who -- who was  
18 representing you at the last hearing, through the  
19 OIC?

20 MR. TERFNEH KAHSAY: Uh, it used -- it  
21 used to be Mr. Meles.

22 MS. AMY SCHMIDT: If, um -- if I may --

1 if I may step in -- Mr. Matthews was representing  
2 the new owner, but he was not here for the OIC,  
3 so he was doing it -- So, Mr. Kahsay was doing it  
4 by himself last -- at the --

5 MR. DONOVAN W. ANDERSON: That's my  
6 understanding, that he -- No, it's my  
7 understanding that there was -- he had a non-  
8 attorney representative.

9 (Off-mic speaking)

10 MS. AMY SCHMIDT: That was -- that was  
11 Mr. Matthews.

12 (Off-mic speaking)

13 MR. DONOVAN W. ANDERSON: Right. And the  
14 ABRA staff -- the ABRA had contacted Mr. Matthews  
15 in -- in early August to inform him of the  
16 problems that we had with the security plan, and  
17 we have not heard. That's why I was asking you.  
18 So, you have not had any contact with ABRA for  
19 ABRA to -- to inform you the type of concerns --  
20 that there are some deficiencies in your security  
21 plan.

22 MR. TERFNEH KAHSAY: Uh, nobody told me

1 about it. I haven't, no.

2 MR. DONOVAN W. ANDERSON: Um, I think  
3 just from -- from a -- a stand -- Let's look at  
4 the beginning. The -- the -- the -- the plan does  
5 not have any information regarding conflict  
6 resolution training. The plan does not have  
7 procedures for crowd control and preventing  
8 overcrowding. We'll provide you -- We'll also  
9 provide you with this information, sir. The plan  
10 does not inform ABRA of number and location of  
11 security cameras.

12 Those are -- those are the -- pursuant to  
13 -- there are some legal requirements pursuant to  
14 25402 of -- um, 25402 of the D.C. Official Code  
15 that says in order for a plan to be legally  
16 sufficient, it has, at a minimum -- those  
17 provisions need to be covered, and those  
18 provisions are not covered in your security plan.  
19 And so, one of the things that we need to do is,  
20 we need to sit -- ABRA need to sit down with you,  
21 or you need to make yourself available for the  
22 staff to go over what the deficiencies are in the

1 plan, in your security plan.

2 Are there any questions that anyone has  
3 out there, then I -- I'll give -- give the staff  
4 an opportunity to -- I'm sorry, the other Board  
5 members an opportunity to ask questions.

6 MS. AMY SCHMIDT: None from the  
7 Government at this point.

8 MR. DONOVAN W. ANDERSON: Do you have any  
9 questions, Mr. Kahsay, for us?

10 MR. TERFNEH KAHSAY: No, but, uh, the  
11 security plan that, uh, uh, we present, I don't  
12 know what the deficiency are.

13 MR. DONOVAN W. ANDERSON: I -- I -- I --  
14 That's what I'm saying. We had -- I just gave you  
15 -- just read out some of the problems that we  
16 have, and as I stated before, ABRA was under the  
17 impression that Mr. Matthews was still  
18 representing you. So, a detailed information was  
19 provided to Mr. Matthews to state what the  
20 deficiencies are and how they can be fixed, and  
21 we were not aware that he was no longer  
22 representing you.

1           MR. TERFNEH KAHSAY: Oh, no, he's still  
2     representing me, but unfortunately, he could not,  
3     uh, come today.

4           MR. DONOVAN W. ANDERSON: Well, we -- we  
5     provided -- we provided him with -- It's my  
6     understanding, in, um -- in the middle of August,  
7     while we were on recess, we provided him with  
8     detailed instructions of what were wrong -- what  
9     was wrong with the plan and how it could be  
10    fixed. And if we had received a response from  
11    your representative, probably today, we could  
12    have stated that the security plan that you  
13    provided was legally sufficient.

14           As of today, since the security plan has  
15    not been corrected, it is not sufficient. I'm not  
16    -- I, um -- I can -- So -- So, we can -- we can,  
17    um -- You can, um -- We'll -- I'll make sure that  
18    Mr. -- the legal staff is in contact with you to  
19    let you know, um, what -- what is it was provided  
20    to your representative at that time.

21           MR. TERFNEH KAHSAY: Is there a way that,  
22    uh, you can do it at the -- the recess, uh, can

1 get in touch with him?

2 MR. DONOVAN W. ANDERSON: Yes?

3 (Off-mic speaking)

4 MR. DONOVAN W. ANDERSON: We're -- you're  
5 -- you're going to get -- You'll get that  
6 information, um, in a couple of minutes, what the  
7 -- what was sent to your -- your representative  
8 and what's legally insufficient with the plan.  
9 Any, um, questions, um, by any Board members?

10 MS. RUTHANNE MILLER: Um, I think you  
11 pretty much answered. I -- I was the most  
12 concerned about whether or not you are being  
13 represented or not given that, uh, um, the legal  
14 office submitted, uh, to your representative, um,  
15 the -- the -- the ways in which the security plan  
16 was deficient, and -- and you said that you're  
17 not aware of that. Correct?

18 MR. TERFNEH KAHSAY: No, ma'am.

19 MS. RUTHANNE MILLER: Are you in touch  
20 with your legal representative or non-legal  
21 representative -- your representative?

22 MR. TERFNEH KAHSAY: Uh, I don't know. I

1 haven't seen him. Um, it's hard for me to say.

2 MS. RUTHANNE MILLER: Okay.

3 MR. TERFNEH KAHSAY: Understand.

4 MS. RUTHANNE MILLER: But is it -- is  
5 your intent to still be represented, um, by Mr.  
6 Matthews?

7 MR. TERFNEH KAHSAY: Yes.

8 MS. RUTHANNE MILLER: Okay. I don't have  
9 any other questions.

10 MR. DONOVAN W. ANDERSON: Any -- any  
11 questions by any other Board members?

12 (No audible response)

13 MR. DONOVAN W. ANDERSON: Um, it's -- Any  
14 final thoughts by the Government?

15 MS. AMY SCHMIDT: Um, only that we --  
16 only that this be rescheduled so -- for another  
17 status.

18 MR. DONOVAN W. ANDERSON: I'm sorry?

19 MS. AMY SCHMIDT: Only this be  
20 rescheduled for another status, so.

21 MR. DONOVAN W. ANDERSON: All right. Mr.  
22 Kahsay, the -- it appears to me that, um -- that

1 the only outstanding issue is the security plan,  
2 based on the OIC, because the Board could have  
3 made a determination today whether or not --  
4 excuse me -- the establishment can reopen. And  
5 there are -- the security plan is -- is -- it's -  
6 - it's not legally sufficient, so the Board is  
7 not in a position to make a decision today.

8 Um, I'm not -- I don't know if the  
9 Board's in a position to make a decision today  
10 whether or not, um, the matter can be -- we can  
11 vote to -- to do that. So, we'll take it under  
12 advisement and make a determination what the next  
13 steps for these -- for this -- for these matters.

14 MS. RUTHANNE MILLER: Mr. Chairman?

15 MR. DONOVAN W. ANDERSON: Yes? Yeah.

16 MS. RUTHANNE MILLER: I just wanted to  
17 also get a clarification that, um -- It's my  
18 understanding, based on Number 1, I think the --  
19 the establishment can't reopen until they pay the  
20 fine, and that hasn't been done yet.

21 MR. DONOVAN W. ANDERSON: Well, they --  
22 there's 120 days --

1 MS. RUTHANNE MILLER: Yeah.

2 MR. DONOVAN W. ANDERSON: -- to -- It's  
3 not they open, it's they -- it's meaning that the  
4 license cannot be transferred. But the transfer  
5 was -- will not be affected by the fine being  
6 paid, but they had 120 days to pay it, and I'm  
7 not sure where we are, as of today, within the  
8 120 days.

9 So, therefore, if -- if we -- if -- if  
10 they -- even if they hadn't paid the fine, they  
11 could have -- Based on the way the OIC is  
12 written, it's my understanding they could have  
13 reopened, because they had 120 days to do it. The  
14 OIC, though, talked about the -- the transfer,  
15 that we're not going to allow the transfer to  
16 occur without the fine being paid.

17 MS. RUTHANNE MILLER: Okay.

18 MR. DONOVAN W. ANDERSON: But do you know  
19 where -- where we are with the transfer? Do you  
20 know whether or not -- whether or not the owner  
21 that you're trying to transfer this matter to, do  
22 you know whether or not -- where they are in that

1 process?

2 MR. TERFNEH KAHSAY: Oh, the application  
3 is in, so --

4 MR. DONOVAN W. ANDERSON: But you don't  
5 know -- Well, the application -- When this matter  
6 started, the application was always in, but do  
7 you know whether or not -- Do you know where we  
8 are in that process? Do you know whether or not  
9 he has provided ABRA with the necessary  
10 information? Is it just that the application is  
11 in? Are all the supporting documents -- Do you  
12 know whether or not they're in?

13 MR. TERFNEH KAHSAY: All the -- all the  
14 documents has been submitted.

15 MR. DONOVAN W. ANDERSON: All right.

16 MR. TERFNEH KAHSAY: Just waiting for the  
17 transfer is complete.

18 MR. DONOVAN W. ANDERSON: All right. All  
19 right. I think our note says that the information  
20 -- We've been joined by Mr. Alberti, Board Member  
21 Alberti, um, so the Board now has five members.

22 So, it's my understanding that all the --

1 the -- all -- all the information is complete for  
2 the transfer, um, but -- So, I think it's a  
3 matter of reviewing the deficiencies in the  
4 security plan and provide that information to the  
5 Board as quickly as possible. And we could  
6 schedule another status hearing, um, in a very  
7 short period of time so we can figure out what --  
8 what decision will be made regarding, um, the --  
9 the continued closure of the establishment.

10 So, how long -- I know that you're just -  
11 - you have just gotten the information. As I  
12 stated before, we -- we had provided it to your  
13 representative, um, weeks ago, but how long do  
14 you believe that you will need to review this  
15 document and make the changes to the security  
16 plan?

17 MR. TERFNEH KAHSAY: Well, what are the  
18 requirements? The one that says "no"?

19 MR. DONOVAN W. ANDERSON: The one that --  
20 no, those are the legal -- those are the legal  
21 requirements, but I believe that -- I believe  
22 that you might have been given more -- uh, more

1 information regarding -- I'm not sure what was  
2 given to you. I don't know what -- I don't know  
3 what you have in front of you, if -- if you were  
4 given more information regarding the  
5 deficiencies. I know that one sheet just says  
6 that --

7 MR. TERFNEH KAHSAY: I got it, ABRA's  
8 Security Plan Review Checklist.

9 MR. DONOVAN W. ANDERSON: Right, and it  
10 tells you -- the one that says "no" basically  
11 says, as I -- as I -- I read in the record  
12 earlier, it basically states that there has to be  
13 a provision regarding conflict resolution  
14 training, which currently does not exist in your  
15 security plan, that there is a process -- There -  
16 - there also should be procedures for crowd  
17 control and preventing overcrowding, and that's  
18 not in your security plan. In fact, in your  
19 security plan, there has to be the, uh, um -- the  
20 number and location of security cameras, and  
21 that's also is not in your security plan. So, all  
22 --

1           MR. TERFNEH KAHSAY:   The ABRA  
2   investigator, first, they, uh, took pictures --

3           MR. DONOVAN W. ANDERSON:   No, but I --  
4   I'm --

5           MR. TERFNEH KAHSAY:   -- of the location  
6   of --

7           MR. DONOVAN W. ANDERSON:   But --

8           MR. TERFNEH KAHSAY:   -- the cameras.

9           MR. DONOVAN W. ANDERSON:   -- what I'm  
10   saying, the law says that -- it says that it must  
11   be in your security plan, and it's not -- When  
12   the ABRA staff reviewed your security plan, this  
13   information is not -- So, you -- Whether or not -  
14   - I know that Mr. Howze went, um -- in reviewing  
15   the report, stated that they went out; they saw  
16   the security plan -- they -- they saw the  
17   cameras. But from what I'm being told by the  
18   staff is that it's not written in your security  
19   plan, and it must be written in the security  
20   plan.

21           And so, that's one of the reasons why I  
22   would request that you meet with our general

1 counsel staff, and they can provide you more  
2 specific information: What is it that our -- They  
3 can either provide you other security plans that  
4 are -- that have been approved by ABRA to say:  
5 This is what needs to be in a security plan.

6 I mean, uh, it's unfortunate that -- that  
7 you're -- You stated that you're still getting --  
8 that Mr. Matthews is still representing you. He's  
9 not here today, and we have provided -- this  
10 information was provided to him some time back,  
11 and we have not received a response from him to  
12 say he has received it and to inform you what the  
13 -- what the -- what the deficiencies were.

14 So, that's one of the reasons why we're  
15 going through this today. It's unfortunate that  
16 you're seeing this today for the first time, but  
17 it's my understanding that this information was  
18 provided, and I'm trying -- Let me see if, uh --  
19 if I can give you a specific -- if I -- if I have  
20 listed specifically when this information was  
21 provided.

22 (Off-mic speaking)

1           MR. DONOVAN W. ANDERSON: So, over a  
2 month ago -- over a month ago, we contacted your  
3 representative to inform your -- your  
4 representative what was wrong with your security  
5 plan, and we have not received their response.  
6 But as I stated before, we can provide you -- we  
7 can provide you more detailed information that is  
8 -- that needs to be included, and that's  
9 something that our legal staff can provide you  
10 today if you so desire.

11           Any other questions by any -- Yes, Mr.  
12 Alberti.

13           MR. NICK ALBERTI: I just want to point  
14 out: It is clear that the OIC -- and this is our  
15 general policy -- the Board, uh, shall not  
16 approve the transfer to the new owner until all  
17 outstanding fines are paid. So, we're still  
18 waiting on payment, and I --

19           MR. TERFNEH KAHSAY: That is not a  
20 problem.

21           MR. NICK ALBERTI: I just want to make  
22 sure that we have an understanding.

1           MR. DONOVAN W. ANDERSON: No, I -- I did  
2 mention that -- I know part of it is that they  
3 haven't recently paid. We're still not in the --  
4 the 120 days haven't expired yet. The report also  
5 -- just to bring up -- the -- just to bring you,  
6 um -- Regarding the -- the cameras, Mr. Howze  
7 reported that the cameras are in -- that as far  
8 as the cameras and video system, it's fine. The  
9 only portion of it that they were unable to  
10 verify is whether or not it retains information  
11 for 30 days, and 30 days haven't been --

12           MR. NICK ALBERTI: It hasn't been --

13           MR. DONOVAN W. ANDERSON: It hasn't been  
14 --

15           MR. NICK ALBERTI: Okay.

16           MR. DONOVAN W. ANDERSON: So -- but for  
17 the most part, they're in compliance with the  
18 OIC. It's just that the security plan is an issue  
19 that needs to be, you know, um, clarified and  
20 cleared up.

21           Okay. Um, if you guys have no other  
22 questions, then it's a matter of, sir, you

1 providing that information to us as soon as  
2 possible for us to probably schedule a -- a short  
3 status hearing -- a -- a -- another status  
4 hearing to see if you're in compliance to see  
5 whether or not are we would, um, vote to -- to  
6 state that the establishment should be reopened.  
7 So, it's up to you to provide that information to  
8 us as -- to our legal staff as quickly as  
9 possible for us to schedule another status  
10 hearing to -- to make that decision. All right.  
11 Thank you.

12 (Off-mic speaking)

13 MR. DONOVAN W. ANDERSON: As I said  
14 before, if you have any questions, um, we, um --  
15 you can contact -- Could, um -- Could someone  
16 give him, um, a card, please? All right. Just --  
17 we'll give you a card so you can be clear, what  
18 is it that needs to be done, okay? All right.  
19 Thank you.

20 (Whereupon, the above-entitled matter was  
21 concluded.)
